Dear Exhibitors and Partners,

**POSTPONEMENT OF ITSHOW 2020 AND CEE 2020**

As indicated by the Ministry of Trade and Industry of Singapore, events that are substantially recreational or social in character, such as company D&Ds, networking events or gala dinners, are currently not permitted to take place now. Apparently, all consumer shows such as the mentioned above have also somewhat fallen into this category.

Thus, we are deeply sorry to inform all the exhibitors that we have to postpone both the events mentioned above to beyond the first quarter of 2021. We will keep all exhibitors posted on the latest updates of our show dates once we have a firm direction from the authorities.

We thank you for your kind understanding. Once again, thank you for your patience and continued support in these trying times. Stay safe.

From the Management of  
ITSHOW 2020 and CEE 2020
